To help maintain safety and order, the parade is LIMITED TO 50 MOTOR VEHICLE ENTRIES on a "First Come, First Serve" basis. Pre-registration passes of float drivers must be displayed on the dashboard of each pulling vehicle before entering the line-up. Numbers on passes do not represent line-up order. Only floats will be allowed in the line-up area. All materials, decorations, etc. must be on the float before line-up.

NO ALCOHOLIC OR INTOXICATING BEVERAGES WILL BE ALLOWED IN THE LINE-UP AREA OR ON FLOATS.
FLAGRANT CONSUMPTION OF SUCH BEVERAGES ON FLOATS WILL NOT BE TOLERATED.

GENERAL RULES

1. It is your responsibility to help maintain safety. Each entry is legally responsible for any accident associated with the aforementioned entry.
2. All parade participants must be decently attired. Sexually indecent dress or offensive behavior will not be allowed. (Please remember there are children watching and that this is a benefit for sick kids.)
3. Amplified music cannot be played after the Parade returns to the Line-up Area.
4. One person per float entry should be designated as a spokesman and contact person for the entry. They must be 21 years of age or older.
5. Horse participants must have a "bag" for sanitation and owners must show proof of Coggins license.
6. If you have any questions or need assistance while at the Parade, orange vests will identify workers on site and JPD officers will be on hand to assist.
7. Plans for the parade line up will be announced at the February 18th meeting.
8. Commercial or retail establishments are forbidden from promoting/displaying/distributing their product inside the line-up area or parade/festival site unless they are a corporate sponsor of the parade, a paid parade participant or have a vendor license. Further, they are not allowed to distribute/post or display promotional materials on floats or entries other than those sponsored by their company.
9. Floats registered as Individuals cannot promote a commercial product or company. Floats paying entry fee for businesses are welcome to promote their company.
10. Motorcycles and ATVs (four-wheelers) are not allowed to ride in the parade.
11. In an effort to keep the parade flowing, there will be a 2-minute limit in front of the judge's stand.

FLOATS

1. Gooseneck trailer floats cannot exceed 35 feet in length. Standard hitch trailers cannot exceed 25 feet in length. The maximum width for any trailer is 12 feet. The number of people per trailer will be limited to

one person per 10 square feet of trailer space; for example a trailer 28 feet long and 12 feet wide, 28 x 12= 336 square feet divided by 10 = 33 people. *Height restriction is 14 feet.

2. Each float shall have an appropriately designed and placed safety chain between it and the vehicle pulling the float.
3. All wheeled trailers and floats must be skirted completely (including the area around tires) to within six inches off the ground using 1/4"-1/2" plywood to prevent people, especially children, from getting beneath vehicles. Construction of skirting must be done before line-up. All trailers must have a safety railing 36 inches high from the base of the trailer using wood, metal or a substantial substitute. If you use a pick-up truck as a float, you must have a safety railing on both sides and across the tailgate 4 feet high from the floor of the truck bed using wood, metal or a substantial substitute.
4. All floats and vehicles will be inspected by the Jackson Fire or Police Department prior to the parade. Any float or person not in compliance will be suspended from the parade and will forfeit the entry fee.
5. No person shall be allowed to get on and off a float after the parade begins, except for emergency reasons. In the case of emergency, the float should pull to the curb and stop. The person involved in the emergency will be removed and the float can re-enter the parade.

POINT PEOPLE

Each motor vehicle entry (cars, trucks, vans, etc.) in the parade must supply a minimum of four Point People (two in back, two in front) to walk alongside the vehicle in order to keep the crowd at a safe distance. ALL FLOATS must now supply a minimum of 6 point people (three per side) to carry the PVC pipe. Point People are required to **carry a ½ " PVC pipe which extends along the side from the front of the pull vehicle to the rear of the float.** This pipe must be one solid piece. This will assist point people in crowd control.

PULL VEHICLES

It is the spotter's responsibility to observe the riders on the float and the walkers for any sign of a problem and notify the driver to stop immediately.
3. All vehicles must be operated by a licensed driver and have current license plates on the pull vehicle and trailer.
4. All laws which apply toward operating a motor vehicle will be enforced during the parade by the JPD. While operating a vehicle, drivers may be detained by the JPD for violations of the law such as drinking and driving, driving recklessly, etc.
5. **Pull vehicles will now be inspected...horns, blinkers, brakes etc. must be in good working order.**

THROWS

1. Absolutely NO Trinkets can be thrown from the **Driver's side of the pull vehicle or tossed or handed out to the front or rear of the float.**
